

Military Art Day Twin Falls?!

The Exceptional Family Member Program (EFMP) along with Operation Military Kids (OMK) is putting on a Family Art Day in Twin Falls, July 12, 2014 from 4-8 pm.

This collaborative event is a part of an effort to extend activities to National Guard Families living outside of the Boise area. The event is on a Saturday evening of a Drill weekend in hopes to target the highest percentage of family participation. Food and activities will be offered at no cost at the Boys and Girls club located directly next to the Armory.

Families are encouraged to attend and enjoy face painting, airplane making, give always, food and other artistic activities. If successful this event could potentially become an annual Military Family Art Day. All branches are welcome as well as retired military families.

Partners for the event will include Boys and Girls Club, Operation Homefront, Home Depot, Blue Star Moms, Idaho Commission for Libraries, Idaho Parents Unlimited, and Operation Military Kids.
